

Save Our Trees

DontClearcutSeattle.org
Write/Call the City Council
Pass Tree Protection NOW

Send your message via:

DontClearcutSeattle.org to Mayor, City Council, Construction & Land Use Officials on why we must protect our trees now:

For clean air & water, habitats, cooling for global warming. Tell them to pass Urban Forestry Commission's recommended Tree Ordinance to save our tree canopy — particularly exceptional trees. Preserving and Planting Trees are the #1 easiest ways to stop global warming.

Send photos/comments on tree protection to Facebook page: [dontclearcutseattle](https://www.facebook.com/dontclearcutseattle)

We need your help to pass this ordinance. Please volunteer and contact: neighborhoodtreekeepers@gmail.com
